In re Patent No. 7,380,267 :  
Issue Date: May 27, 2008 :  
Application No. 10/688,026 : **DECISION ON PETITION**  
Filed: October 17, 2003 :  
Attorney Docket No. 16869P-097900US :

This is a decision on the petition, filed, June 1, 2011, which is being treated as a request under 37 CFR 3.81(b)<sup>1</sup> to correct the assignee's name on the Fee(s) Transmittal form PTOL-85(b) by way of a certificate of correction in the patent.

The request is **GRANTED**.

Petitioner states that the correct assignee's name is Hitachi-Omron Terminal Solutions Corp. Further, petitioner states that the assignee's name was incorrectly indicated on the Fee(s) Transmittal form PTOL-85(b) at the time of payment of the issue fee. Accordingly, petitioner requests that a certificate of correction be issued to reflect the correct assignee on the front page of the Letters Patent.

37 CFR 3.81(b), effective June 25, 2004, reads:

*After payment of the issue fee:* Any request for issuance of an application in the name of the assignee submitted after the date of payment of the issue fee, and any request for a patent to be corrected to state the name of the assignee, must state that the assignment was submitted for recordation as set forth in § 3.11 before issuance of the patent, and must include a request for a certificate of correction under § 1.323 of this chapter (accompanied by the fee set forth in § 1.20(a) and the processing fee set forth in § 1.17(i) of this chapter.

The certificate of correction (and fee) as required by 3.81(b) was submitted on June 1, 2011. Office assignment records reflect that Hitachi-Omron Terminal Solutions Corp. was the assignee of record before issuance of the patent. Accordingly, as the request complies with the provisions of 37 CFR 3.81(b), it is appropriate for a certificate of correction to be processed.

<sup>1</sup> See MPEP 1309, subsection II; and Official Gazette of June 22, 2004.

Inquiries concerning this decision should be directed to Alicia Kelley-Collier at (571) 272-6059. Any questions concerning the issuance of a certificate of correction should be directed to the Certificates of Correction Branch at (571) 272-4200.

This matter is being referred to the Certificates of Correction Branch for processing of a certificate of correction.
